Project Title: Kemper Art Museum

This website features a collection of art sculptures on WashU Campus with multiple pages, and each page will include a description and artist background of the piece. There will be visual contents to connect with the descriptions.

Home Page/Introduction – Introduce the WashU Campus and the establishment of the museum

History of the Kemper Art Collection - Number of the artworks, and the different gallery sections explained

Artwork categories and history

Artwork descriptions and dates

Artists' background

Sources – Wikipedia page and image source from other credited sources
